The American Numismatic Society,

New York, N. Y.

Gentlemen:-

I have paid my dues in the Society for a number of years and during those years I thought that when I happened to be in New York I could avail myself of my membership in the Society to visit the headquarters and see your collections; but I have not been able to do so and of late years have taken very little interest in numismatics. I do not care to pay dues any longer, and hereby tender my resignation as a member of this society.

Yours very truly,

*Charles P. Noyes*

Your letter expressing desire to resign from membership in this Society has been referred to our Council, and they have directed me to say that they recommend that you transfer to our Associate membership, which is five dollars per year, entitles you to our Journal and the Numismatist, and all the privileges of our wide service, only excepting you from becoming an officer or voting at meetings.

If you have the slightest inclination toward numismatics, you can keep in touch as an Associate, and be just as welcome as a full Member.

Yours very respectfully,

Treasurer.
